\* Alumni student = graduate of CRHS

We encourage all families with a theatre student to join the Theatre Booster Club. The cost per family is \$30. Your membership fee grants your family a voting right at all booster meetings and helps to cover the costs of booster expenses to support the students, directors and theatre department throughout the year. Typically these expenses cover things like snacks and drinks for meetings and events, publicity for events, subsidizing meal costs during rehearsals and much more.

### Donation Underwriters

Please consider being an underwriter donor for our theatre events this year. These donations will help cover the cost of producing all virtual and in person theatre events this year. Expected costs costumes, set pieces, backdrops, tech supplies & video and photography services.

Underwriting donations can be designated to be used for specific productions (listed below) or to an overall Theatre fund which will be used to support ALL theatre events.

If no category is selected the funds will be applied to General Theatre.
